

biochemical society transactions

1974

Vol. 2, No. 1

Managing Editor

R. B. BEECHEY

london: the biochemical society © 1974

Biochemical Society Transactions. This journal contains reports of the formal presentations of data and comments communicated to the Biochemical Society at Meetings and Colloquia organized either by the Society or by the Groups of the Society. It is not a journal for the direct reporting of biochemical data. However, short reviews that survey important areas of biochemistry will be considered, but authors should consult the Managing Editor of *Biochemical Society Transactions* before preparing such articles.

Communications to be published in *Biochemical Society Transactions* should be prepared to the instructions printed in the current copy of the Agenda Papers. The general requirements for presentation will be similar to those of the *Biochemical Journal*. Should any problems arise concerning the preparation of papers for *Biochemical Society Transactions* authors are recommended to use the 'Policy of the Journal and Instructions to Authors' [*Biochem. J.* (1973) **131**, 1–20] and amendments [*Biochem. J.* (1974) **137**, 1] as a general guide. SI symbols for units will be used [see *Pure Appl. Chem.* (1970) **21**, 1–44; *Quantities, Units & Symbols* (1971) The Royal Society, London].

In 1974 Volume 2 will be published. This will be in six parts published at approximately bi-monthly intervals. The subscription to non-members will be £15.00, except for subscribers in U.S.A., Canada and Mexico, for whom the rate is \$40.00 or the sterling equivalent at the time of payment. Despatch will be made by air freight to these countries.

A concessionary joint subscription is available to subscribers to both the *Biochemical Journal* and *Biochemical Society Transactions*, at a saving of £10.00 (\$25.00). The joint subscription is £100.00 (air freight joint subscription \$280.00 or the sterling equivalent).

Volume 1 of *Biochemical Society Transactions* is available at £15.00 (\$40.00) complete or £3.00 (\$8.00) per part.

Back numbers and lost copies. Enquiries for back numbers and claims regarding issues lost or damaged should be addressed to: Biochemical Society (Publications), P.O. Box 32, Commerce Way, Whitehall Road Industrial Estate, Colchester CO2 HP8.

No claims can be considered if they are received later than three months after the date of posting of *Transactions*.

Advertisements. Applications for advertising space should be sent to the Advertising Department, The Biochemical Society, 7 Warwick Court, London WC1R 5DP [01-242 1076 (4 lines)]. Copy is required eight weeks before publication date. Rate cards are available on request.

The Biochemical Society exists to advance the science of biochemistry through meetings and publications. Meetings are held at different places; original papers are presented and special topics are discussed at symposia and colloquia.

Persons interested in biochemistry are eligible for election as Members. Details of further facilities accorded to Members, and forms of application for membership, are available from the Executive Secretary, The Biochemical Society, 7 Warwick Court, London WC1R 5DP [Telephone 01-242 1076 (4 lines)].

Application to mail at second-class postage rates is pending at Long Island City, N.Y. U.S.A.

INDEX OF AUTHORS

- Ackroyd, B. 96
 Al-Gailany, K. A. S. 1 3
