TRANSACTIONS

642nd Meeting Southampton

colloquia

Membrane Transport

**Crystallographic and Non-crystallographic Approaches to Membrane
Protein Structure**

The Molecular Biology of Nervous System-Specific Proteins

Kinase Cascades and Gene Expression Control in Insulin Action

Activators and Inhibitors of Glycosidases and Glycosyltransferases

communications

■ *Biochemical Society Transactions* (ISSN 0300-5127) is published by Portland Press Ltd on behalf of the Biochemical Society. Each issue contains the lectures, colloquia and communications presented at one of the Biochemical Society's meetings held in various parts of the U.K. and Ireland and, occasionally, in conjunction with other Societies, abroad. Submitted primary research papers are not published. Authors of lectures and colloquium contributions at Society meetings will receive instructions on the format of their article prior to the meeting; instructions for authors intending to present communications at Society meetings appear in the Society's membership journal, *The Biochemist*, and occasionally in this journal.

■ For information about the advantages of membership of the Biochemical Society, contact the Executive Secretary, The Biochemical Society, 59 Portland Place, London W1N 3AJ, U.K. (telephone 071-580 5530).

■ Editorial and publishing office: *Biochemical Society Transactions*, 59 Portland Place, London W1N 3AJ, U.K. (telephone 071-637 5873; facsimile 071-323 1136).

Subscription rates

■ Subscriptions department: Portland Press, P.O. Box 32, Commerce Way, Colchester CO2 8HP, U.K. (telephone 0206-46351; facsimile 0206-549331). *Biochemical Society Transactions* is published in February, May, August and November of each year. Subscription rates for volume 20, parts 1-4 (1992):

	North America	Rest of world
Volume 20	\$215.00	£118.00
Single issues	\$55.00	£30.00

Subscribers to the *Biochemical Journal* may take a joint subscription to that journal and to *Biochemical Society Transactions*, saving \$25 (North America) or £15 (rest of world). North American subscription rates include airfreight delivery, and those for Japan include Accelerated Surface Post; other overseas locations are serviced by surface mail. Airmail delivery is available at extra cost. Back issues are available. Subscribers in Japan should send orders to Kinokuniya Company Ltd, Journal Department, P.O. Box 55, Chitose, Tokyo 156.

■ All rights reserved. Apart from any fair dealing for the purposes of research or private study, or criticism or review, as permitted under the Copyright, Designs and Patents Act, 1988, this publication may be reproduced, stored or transmitted, in any form or by any means, only with the prior permission in writing of the publishers, or in the case of reprographic reproduction in accordance with the terms of licences issued by the Copyright Licensing Agency. Inquiries concerning reproduction outside those terms should be sent to the publishers at their London address.

■ Although, at the time of going to press, the information contained in this publication is believed to be correct, neither the authors nor the publisher nor the editor assume any responsibility for any errors or omissions herein contained.

■ Display advertising is accepted; information is available on request from the London office of Portland Press.

■ Second-class postage paid at Rahway, NJ, U.S.A.

■ U.S. Postmaster: send address changes to *Biochemical Society Transactions*, c/o Mercury Airfreight International Ltd, 2323 Randolph Avenue, Avenel, NJ 07001, U.S.A.

■ Typeset by Unicus Graphics Ltd, Horsham, and printed in Great Britain by Whitstable Litho Printers Ltd, Kent.
