

Supplementary Materials

Supplementary Figure 1. The original immunoblots of CCBE1.

Supplementary Figure 2. The original immunoblots of GAPDH.

Supplementary Figure 3. The relationship between WHO grade and hsa_circ_0076931, miR-6760-3p, or CCBE1 in glioma. (A) hsa_circ_0076931, (B) miR-6760-3p, and (C) CCBE1 expression were analyzed by qRT-PCR in different grades of gliomas (Astrocytoma \leq II; Astrocytoma $>$ II; Glioblastoma IV).
