

Clinical SCIENCE

C O N T E N T S

COMMENTS

- Novel insight into the pathophysiology of breast-cancer-related lymphoedema**
by D. O. Bates (see accompanying paper pp. 131–140) 169–170
First published on the Internet 28 June 2001
- Counteracting sarcopenia in post-menopausal women: do hormones and strength training accomplish the task?**
by M. Kjær (see accompanying paper pp. 147–157) 171
First published on the Internet 28 June 2001
- To bolus or not to bolus—is that the question?**
by G. C. Kramer, C. H. Svensen and D. S. Prough (see accompanying paper pp. 173–179) 181–183
First published on the Internet 17 July 2001
- Psychological stress and the inflammatory response system**
by M. Maes (see accompanying paper pp. 185–192) 193–194
First published on the Internet 24 July 2001
- Why do smokers have higher plasma fibrinogen levels than non-smokers?**
by G. D. O. Lowe (see Hunter et al., Volume 100, number 4, pp. 459–465) 209–210
First published on the Internet 25 July 2001

RAPID COMMUNICATION

- In vivo inhibition of renal 11β -hydroxysteroid dehydrogenase in the rat stimulates collecting duct sodium reabsorption**
by M. A. Bailey, R. J. Unwin and D. G. Shirley 195–198
First published on the Internet 25 July 2001

PAPERS

- Binding and uptake of chylomicron remnants by primary and THP-1 human monocyte-derived macrophages: determination of binding proteins**
by C. L. Elsegood, S. Pal, P. D. Roach and J. C. L. Mamo 111–119
First published on the Internet 18 June 2001
- Biophysical effects of pore mutations of ROMK1**
by S. Bhandari and M. Hunter 121–130
First published on the Internet 18 June 2001

- Differences in lymph drainage between swollen and non-swollen regions in arms with breast-cancer-related lymphoedema**
by A. W. B. Stanton, W. E. Svensson, R. H. Mellor, A. M. Peters, J. R. Levick and P. S. Mortimer 131–140
First published on the Internet 18 June 2001
- Sympathetic and reflex abnormalities in heart failure secondary to ischaemic or idiopathic dilated cardiomyopathy**
by G. Grassi, G. Seravalle, G. Bertinieri, C. Turri, M. L. Stella, F. Scopelliti and G. Mancia 141–146
First published on the Internet 20 June 2001
- Effects of hormone replacement therapy and high-impact physical exercise on skeletal muscle in post-menopausal women: a randomized placebo-controlled study**
by S. Sipilä, D. R. Taaffe, S. Cheng, J. Puolakka, J. Toivanen and H. Suominen 147–157
First published on the Internet 20 June 2001
- A comparative study of the adsorption of amino acids on to calcium minerals found in renal calculi**
by D. E. Fleming, W. van Bronswijk and R. L. Ryall 159–168
First published on the Internet 20 June 2001
- Dilution and redistribution effects of rapid 2-litre infusions of 0.9% (w/v) saline and 5% (w/v) dextrose on haematological parameters and serum biochemistry in normal subjects: a double-blind crossover study**
by D. N. Lobo, Z. Stanga, J. A. D. Simpson, J. A. Anderson, B. J. Rowlands and S. P. Allison 173–179
First published on the Internet 17 July 2001
- Acute mental stress elicits delayed increases in circulating inflammatory cytokine levels**
by A. Steptoe, G. Willemsen, N. Owen, L. Flower and V. Mohamed-Ali 185–192
First published on the Internet 25 July 2001
- Diagnosing coeliac disease by rectal gluten challenge: a prospective study based on immunopathology, computerized image analysis and logistic regression analysis**
by A. Ensari, M. N. Marsh, S. Morgan, R. Lobley, D. J. Unsworth, D. Kounali, P. T. Crowe, J. Paisley, K. J. Moriarty and J. Lowry 199–207
First published on the Internet 25 July 2001

SUPPLEMENT 45

- Communications for the Spring Meeting of the Medical Research Society on 1 June 2001 at the Royal College of Physicians, London** 1P–23P
