

*Clinical Science* is a monthly journal publishing papers in the field of clinical investigation, including the whole range of biochemical, physiological, immunological, cellular, molecular biological and other approaches of relevance to disease in man. Its international editorial board is charged with selecting original papers of high scientific merit. Rapid Communications, short accounts of completed work not exceeding four printed pages, receive priority reviewing and publication. The journal also features reviews, scientific correspondence, invited comments, the Bayer lecture and two annual supplements containing the abstracts of papers presented at meetings of the Medical Research Society.

• *Clinical Science* is published by Portland Press Ltd, 59 Portland Place, London W1N 3AJ, U.K., on behalf of the Biochemical Society and the Medical Research Society. ISSN 0143-5221; coden CSCIAE; USPS 397810.
