Do we need another echo 'window to the cardiovascular system'?  
by A. Kelion  
First published on the Internet 17 July 2000  
149–150

A guardian angel: the involvement of dipeptidyl peptidase IV in psychoneuroendocrine function, nutrition and immune defence  
by M. Hildebrandt, W. Reutter, P. Arck, H Rose and B. F. Klapp  
First published on the Internet 10 July 2000  
93–104

Organization and reorganization of human swallowing motor cortex: implications for recovery after stroke  
by S. Hamdy, J. C. Rothwell, Q. Aziz and D. G. Thompson  
First published on the Internet 20 July 2000  
151–157

Transvenous echo Doppler in baboons: a new window to the cardiovascular system  
by U. Premawardhana, M. Hoskins and D. S. Celemajer  
First published on the Internet 17 July 2000  
141–147

Analysis of the candidate genes responsible for non-syndromic cleft lip and palate in Japanese people  
by A. Tanabe, S. Taketani, Y. Endo-Ichikawa, R. Tokunaga, Y. Ogawa and M. Hiramoto  
First published on the Internet 10 July 2000  
105–111

Cardiocirculatory coupling during sinusoidal baroreceptor stimulation and fixed-frequency breathing  
by C. Keyl, M. Dambacher, A. Schneider, C. Passino, U. Wegenhorst and L. Bernardi  
First published on the Internet 10 July 2000  
113–124

Very-low-frequency oscillations in heart rate and blood pressure in periodic breathing: role of the cardiovascular limb of the hypoxic chemoreflex  
by D. P. Francis, L. C. Davies, K. Willson, P. Ponikowski, A. J. S. Coats and M. Piepoli  
First published on the Internet 10 July 2000  
125–132
Induction of osteoclasts from CD14-positive human peripheral blood mononuclear cells by receptor activator of nuclear factor κB ligand (RANKL)
First published on the Internet 10 July 2000

Circulating vascular endothelial growth factor levels are decreased in patients with chronic hepatitis and liver cirrhosis depending on the degree of hepatic damage
by G. Desideri and C. Ferri
First published on the Internet 17 July 2000

Communications for the Spring Meeting of the Medical Research Society held on the 22 May 2000 at the Royal College of Physicians, London
